

Cover Kids Search

Want to see your child on the cover of Athens Parent Magazine? Submit ONE photo with only the child that you are entering - not a photo with other siblings. To enter multiple children, please send an individual picture of each child with an entry form and fee for each child. Please label photos with each child's name. Photos will not be returned. All entries must be submitted online or postmarked by December 31, 2010. Children ages birth-17 are eligible.

Seven cover kids will be selected and photographed by a professional photographer throughout 2010-2011 for each issue. Only children selected as finalists will be notified. However, we will notify runner-ups that we decide to use inside the magazine for editorial layouts.

Entry fee: \$25 per child
