Bedtime Peppa
Bedtime has never been cozier! This soft and cuddly plush Peppa from Fisher-Price will sing a sweet lullaby at bedtime. Give her a squeeze and her cheeks will light up as she counts sheep. When it’s time to start a brand new day, just pick Peppa up and she’ll sing a wake-up song.

B-Daman Break Bomber Battlefield
Players must master power, speed and precision to keep up with the frenetic marble shooting play in the arena. Players start on opposite sides as they shoot at the rows of blocks in the center of the arena. Blasting away yellow blocks reveal red blocks. The player that blasts three out of five red blocks into the opponents’ territory wins.

Madden NFL 25
There’s no better way to celebrate and mark the culmination of 25 years of innovation than by naming this year’s game Madden NFL 25. This year’s game pushes the boundaries with gameplay and feature innovations that will lay a very strong foundation for the next 25 years of this storied franchise. Barry Sanders will appear on the cover of the “anniversary edition” of Madden NFL 25, while reigning NFL MVP Adrian Peterson will cover the regular edition of Madden 25.

RingStix
A fast and easily learned outdoor activity for ages 6 and up and will get the whole family up and moving. Play RingStix with two players, in a group or solo. It is quickly becoming the new favorite at gatherings, reunions, vacations, etc. The sticks and ring float so you can have fun playing RingStix at the beach.

B. Toys TeePee
Climb inside with your favorite books, your favorite friends or your favorite toy. It’s your world in there. Easy to put together and take a part for easy storage. Includes battery-operated lantern for night-time fun.

**Furby Boom**

Featuring all the 'magic' and personality of its predecessor plus twice the content, the new Furby Boom creature combines physical and digital play for a fun type of entertainment experience. Kids can enjoy a digital adventure via their mobile device with the free Furby Boom app as they raise, care for and play games with their playmate.

**Eco Princess Make-up Set**

Created by a mom who got fed up with all the highly toxic kid’s makeup sets. Eco princess is a line of all natural and organic mineral makeup designed just for kids. Each kit contains: two eye shadows 3 g each, one blush 3 g, pink shimmer lip balm, water based nail polish and two applicators. Purses are hand made and will differ slightly. Tested on princesses. Never on animals.

**Furreal Friends Cuddles**

These pets will respond to many cherished play patterns, such as feeding, cuddling, tickling, swinging and rocking to sleep. The soft, animatronic, plush monkey pet comes with a bottle, pink bow, and removable diaper.

**Micro Charger Hyper Dome**

Kids launch their Micro Chargers Stunt Cars into the battle dome and battle it out until one cars falls to its demise. The Hyper Dome can be added to other tracks. This set includes a battle dome, two Micro Chargers Stunt Cars, two handheld chargers and two stat cards.

**Bitty Baby Doll**

Designed for girls ages 3 and up, Bitty Baby is a 15-inch soft-bodied doll available in 11 different combinations of skin tone, eye- and hair-color, allowing girls to create a one-of-a-kind companion that's just right for them. Each Bitty Baby doll comes dressed in her signature sleeper, along with a special "wishing star" keepsake toy and a beautifully illustrated Bitty Baby and Me hardcover picture book.
**Versa Style Iron**

The 5-in-1 master tool achieves the results of five salon tools — a flat iron, roller set, and three curling irons — in just one, easy-to-use tool. The iron features exclusive ProCurling™ technology, complete with rounded rubber edges to curl, wave or create incredible root lift while the ceramic-coated, tourmaline-boosted plates deliver long-lasting shine. Available at Ulta.

**Magna Tiles**

Set includes magnetized pieces of different shapes that attach along their sides to build basic 3D shapes, like cubes and pyramids, or whatever creative designs kids develop. The Magna Tiles Set helps kids become familiar with geometric shapes, understand basic math and science skills, and experience free-form, creative building.

**Our Generation Doll**

Our Generation is a contemporary, fashion-forward, affordable doll collection that boasts amazing accessories for girls and their dolls. Our Generation donates 10 cents from each purchase to Free the Children. Look for dolls and accessories, including matching Girl & Doll Outfits, matching Girl & Doll Craft Sets, Doll House, and more.

**Baby Alive**

Better Now Baby

Kids can play doctor and mommy at the same time! Press the button on her bracelet and her cheeks light up to show she’s not feeling well. A variety of phrases and sounds tell you where she hurts and when she feels better. Includes bandages, a medicine spoon a medicine bottle, syringe, stethoscope, and thermometer. Bilingual in both English and Spanish and is available in three ethnicities.
